

(Due to Popular Demand, More Seats Have Been Added) Safe Flying in the Mountains is No Accident!

Recent accidents in Truckee, South Lake Tahoe, and the surrounding area suggest a need for us to study and learn from those who have accumulated a life time of safe flying in the beautiful but unforgiving environment of mountain flying.

Directions: From I-680 north bound: exit onto Burnett Ave toward Concord Ave. Turn left onto Diamond Blvd then turn right onto Concord Ave and left onto John Glenn Drive. Sterling Aviation will be on the left hand side just before the control tower.

From I-680 south bound: take the exit toward Concord Ave. Turn left onto Contra Costa Blvd, then left onto Concord Ave followed by a left onto John Glenn Drive. Sterling Aviation will be on the left hand side just before the control tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
